HELLO! MY NAME IS ANDREA...

I have owned and operated my own pre-school/daycare for the last 17 YEARS ! I have loved every second of it, too! The last couple of years, I have cleaned a variety of houses “on the side”. I have always enjoyed cleaning. Last fall I decided, as all my own kids have grown up, I wanted a career change.

I will miss teaching tremendously. However, my oldest daughter is graduating from college this spring and my youngest daughter will be a college sophomore. I figured, after this school year, it was now a perfect opportunity to start a new chapter in my life. June 2025 I will be cleaning FULL TIME and I couldn't be more excited about it. I would love to be a part of keeping your house looking great!!

If you would like to schedule a meeting and discuss your home needs, please contact me for a **FREE ESTIMATE**. I appreciate you considering my services. Thank you so much!!!

Sincerely,

WHY CHOOSE MY SERVICES?

I highly recommend Andrea Elrod for any house cleaning needs. She has cleaned my home on multiple occasions, and each time she has done an exceptional job. She is thorough, detail-oriented, and trustworthy—always leaving my home spotless and organized. Beyond her excellent work, she is also reliable and respectful of my space and belongings. I would confidently recommend her to anyone looking for quality cleaning services.

Andrea has cleaned both my home and office for several years. She is very thorough and reliable. I find her totally trustworthy. I unconditionally recommend her!

-Sam

Andrea runs an incredible cleaning service that truly stands out for professionalism, care, and attention to detail. The work consistently reflects a high standard, and it's clear how much pride goes into every job. Andrea is friendly, reliable, and treats every home with respect—exactly what you want when inviting someone into your space.

-Susan

If you're looking for a cleaning service that's thorough, trustworthy, and run by someone who genuinely cares, this is the one to go with. Highly recommended!

I would definitely recommend Andrea to anyone who needs a clean living or office space, she is thorough, efficient and reliable. I have had other cleaning services, but they would often cancel on the day that they are scheduled to come which is so disappointing. When Andrea is scheduled to be at your house cleaning, she is there! She is also great at communicating with you in advance when she has a conflict and must reschedule. Full disclosure, Andrea is my sister-in-law and she always hosts the family events at her home. It is spotless before we arrive and spotless before we leave which is a big deal because she allows her brother (*my husband*) to cook in her kitchen...he is a great cook, but he is no Mr. Clean. I am very happy she changed careers and took me on as a customer, all of our prior services were great at cleaning, but reliability is just as important so now we have both.
